PORTABLE DISPLAYS

FABRIC BACKROPS

CGS offers a Perfect Fit Tension Fabric Display at an affordable price. Manufactured with structural aluminum tubes, our fabric backdrops deliver maximum durability and strength at a low weight. When your exhibit or presentation calls for a straight back-wall, look no further. Light weight and very easy to set up; you will be ready for the show in just minutes. Pillow case styled graphics provide easy installation, are wrinkle resistant, and are easy to clean if needed.

Features

- Single or Double-Sided Graphic
- Available in 3' 10' and 20' widths
- Fast and easy assembly with NO Tools
- Light Weight
- Includes a carry bag
- Dye sublimation graphics sold separately

FABRIC WALL DISPLAYS

Fabric frames allow us to produce custom interior environments at virtually any size. The beauty of the fabric frame is that custom signage can be applied without expensive installations, and an entire fabric sign can be updated with new graphics in minutes. Additionally, fabric prints can be backlit with our custom edge-lit fabric frames.

Features

- Lightweight & Compact
- Brilliant Color
- Single-Sided Applications
- Wrinkle-Resistant
- Simple Installation

rectangle & square sizes

How it Works

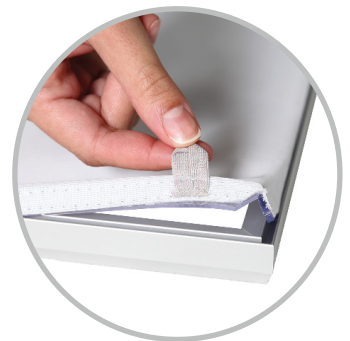

The Fabric Frame systems utilize a silicone gel bead sewn on the perimeter of the fabric sign. Working much like a screen, the gel is inserted into the metal track and is pressed in around the edge. The system is so easy that it requires no expertise to install which saves you time and money.

FLAG STANDS

Feather flag banners are the perfect outdoor and indoor signage solution for drawing attention to your business, product, or promotion. The flag is made from a 4 oz. polyester material, which is weather resistant and extremely durable, making it perfect for using outdoors. The pole set is made from a combination of lightweight aluminum and fiberglass poles for durability. Using the ground stake, the flag can be placed in grass or soil. We also offer additional base options that will allow for the flag to be displayed on hard surfaces and indoors as well.

Features

- 4 oz. polyester material
- Full color superior quality dye-sub printing
- Single-sided
- Available in different shapes
- Weather resistant
- Pole, base and carrying case included
- Indoor and outdoor applications

promote your brand at all types of events!

BANNER STANDS

XDXB-1 Economy X-Stand

X banner stands get their name because when set up, the banner stand frame looks like the letter X. This style of stand is extremely lightweight and simple with a reputation for being the best option for customers looking for cost effective banner stands. They are a great option for large promotions where stands need to be presented in many locations at the same time.

- Attractive minimalist design
- Perfect graphic presentation
- Light weight / good stability
- Two Sizes
- Eco cotton fabric bag
- Silver finish

Size: 24" w x 63" h

SDRU-3 Economy

An extremely cost effective and reliable roll-up banner stand with the classic roll-up design. Equipped with the basic and well tested functions of a retractable banner stand, but with a more simple and low weight construction compared to high-end products. Ideal for sales campaigns and events, for which you need a large number of stands for a limited time period.

- Snap-Lock top rail
- Two swivel out support feet
- 3 piece bungee corded pole
- Padded carrying bag
- Extremely cost effective
- Available in Silver or Gray

Size: 33" w x 79" h

SDRU-1 Premium Plus

The new Premium Plus provides an excellent choice in budget roll-ups. With a sleek new wide-base profile, the Premium Plus is perfectly stable without protruding feet, providing a clean, high-end appearance in a very affordable retractable banner stand — a perfect example of attractive design that will fit even the tightest budgets!

- Snap-Lock top rail
- Wide, stable base
- 3 piece bungee corded pole
- Distinctive red padded carrying bag
- Attractive, yet cost-effective design
- Silver finish

Size: 33" w x 79" h
