Turn your floors into valuable marketing space by placing durable floor graphics underfoot. Great for airports, grocery stores, discount centers, convention centers, auto dealerships, shopping malls and sporting events. Floor graphics communicate your messages in a unique way. Floor graphics are a great way to reach customers as they shop, direct traffic, promote an event, create or reinforce brand identity, or even be used to decorate for a special event. Available in custom designs with sizes and shapes to meet your needs, CGS Imaging's Floor graphics will stop customers in their tracks.

Directional floor decals can help direct traffic for events or in a busy office or help organize a warehouse. We offer a range of different custom floor decal products for tile, hardwood, vinyl, or other smooth surface floors, as well as for carpet, concrete, asphalt and other less common surfaces.
